

Interested in joining a car club?

MSMA could be what you are looking for. MSMA is a group of people having fun with and without cars.

We were first organized in the spring of 1976 and now have two divisions: the Central division, based in the metro area, and the Southern division based in Rochester.

Each division sponsors many events for people who enjoy anything automotive. MSMA puts on car shows, picnics, cruises, weekend events, yearly banquets, monthly meetings and other fun get-togethers throughout the year. Members cruise together, caravan to car shows and events, help each other work on cars or find that "special" car (truck, van, whatever) and find the parts for the right price.

Many dealers, parts stores, etc. give MSMA members a discount when they show their current membership card. Many of these businesses are listed in our monthly newsletter, The White Line Flyer, which is available electronically or as a paper version. The newsletter also gives free wanted/for sale space to members, features articles on member's vehicles, information on upcoming events and reviews of past events. The what, where and when of every event of interest we are aware of is listed monthly and sent to your home for pleasure and information.

Back to those monthly meetings; members discuss events that they have gone to and events they are going to. Often members going to the same event will cruise together and if enough members are going, it becomes a "club event". We have "car talk" where members discuss their latest projects, problems that they are having or where to shop or not shop. Recent and pending laws that affect our hobby are discussed. One of the sources is the SEMA newsletter. MSMA merchandise is on sale at all meetings. If you are looking for a strict "go by the rules" meeting, well, maybe you'd better keep looking. As I said at the top of the page, MSMA is about having fun.

Meetings are held on the second Wednesday of the every month except December  
Brunswick Zone  
11351 Ulysses St NE  
Blaine, MN. 55434 (on the west side of Hwy 65)  
Hors d'oeuvres served at 6:30, and the meeting begins at 7:00

MSMA is people... Their vehicles...events...programs...meetings...newsletters and more important...FUN.

So if you already have your special vehicle, are building/restoring or planning/dreaming about that special vehicle...
